DETAILED ACTION

Claims 3-12 and 18-26 are allowed.

Allowable Subject Matter

The following is a statement of reasons for the indication of allowable subject matter:

The prior art fails to disclose "a display circuit comprising a data decryption circuit receiving said plurality of digital data elements and generating said plurality of pixel data elements, wherein said image is generated on a display screen based on said plurality of pixel data elements, and wherein said display signal is received according to TMDS format" in addition to other elements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
